Building community through food™

OWN IT!

EVERYONE CAN SHOP
ANYONE CAN JOIN

What is the co-op?

A grocery store owned and controlled by you, a shareholder, which emphasizes natural and organic products which are locally sourced. Everyone can shop and anyone can own the Hudson Grocery Co-op.

Why a co-op?

You are the difference

The Co-op was formed by people who want to invest in their community. Co-op food dollars stay in the community and support the local economy—our neighbors.

Eat food you can trust

The Co-op believes in the right to know what's in your food and how it's grown.

Ownership

HGC is owned by people who want to shop at the store. Each owner purchases stock in the cooperative making a one-time investment of \$80. With your ownership, you will have the right to vote on official co-op matters and attend annual meetings.

Why join now?

Simply put, owners are needed now or the co-op cannot open! The co-op is working toward a minimum of 1,000 owners creating a base of owner shoppers to demonstrate community commitment to potential lenders.

Future support

HCG will conduct a capital campaign to secure funding. As an owner, you can make a loan or donation helping your co-op reach its financial goal to open a store.
